Marie Copinet Coteaux Champenois blanc

“The bouquet is subtle, round and elegant, with good ripeness, some yeasty-creamy bâtonnage notes as well as discreet toasty and refreshing lemon aromas. Lean, fresh and mineral on the palate, this is a light, rather lean but not meager, pretty intense and structured and remarkably persistent finish. Bone dry and with very fine tannins, this is an excellent white with fish and any kind of seafood.”

Tasted July 2018. Drink 2019 thru 2026.
