Marie Copinet Champagne
Extra Quality

“This wine has a deep ripe cherry, white nougat and honey bouquet with refreshing citrus and chalky aromas as well as earthy and even floral notes. Clean, fresh and pretty complex on the palate, this is full-bodied, intense and well-structured dry Champagne from 25-year-old on chalk, limestone, clay and silt. The finish is clear, fresh, and crisp and also reveals stimulating minerality. This is still young. Tasted April 2018.”
