

91 Points

Marie Copinet Champagne
Brut Nature

“The citrus colored NV Blanc de Blancs Brut Nature assembles Chardonnay wines from three harvests, 2010, 2009 and 2008. This is an intense yet pure, fresh and vital Brut Nature with a creamy texture characterized by its brioche flavors but also a tight and linear structure that leads to a fresh, clean and pretty persistent finish. White ripe fruits, white flowers, chalk and brioche aromas are displayed on the nose. This is a very elegant, fresh and fine Blanc de Blancs from chalky slopes. Delicious with oysters, shell fish and certainly sashimi. Tasted April 2018.” Drink 2018-2024. Issue # 238
